DOCTOR SCHEDULE PREVIEW

Join us for an in-depth and dynamic convention covering a wide spectrum of complex and evolving topics in foot and ankle surgery. Designed for foot and ankle surgeons, and advanced practitioners, this event will explore both foundational and cutting-edge approaches in diagnosis, treatment, and surgical decision-making. Key topics include:

- Fracture Management: Insights into isolated posterior malleolar and 5th metatarsal fractures with a focus on surgical indications.
- Reconstructive Surgery: Strategic tendon transfers, cavus foot reconstruction, and the latest techniques in managing collapsing foot deformities and hindfoot varus.
- Arthrodesis Complications: A practical guide to addressing non-union after 1st MPJ fusion and strategies to minimize recurrence.
- Pediatric Orthopedics: Updates in treating pediatric conditions such as clubfoot.
- Total Ankle Replacement (TAR): Evaluating TAR in complex deformities including cavus and collapsing foot types.
- Peripheral Nerve Pathologies: Classification, treatment options, and innovations like peripheral nerve stimulators.
- Global Perspective: Reflections from a career in international medicine, offering unique insights into cross-cultural care delivery.

Attendees will leave with actionable knowledge, enhanced surgical strategies, and a broader global perspective on orthopedic foot and ankle care.

IPMA ANNUAL CONVENTION

October 3-4, 2025

Renaissance Indianapolis North

GENERAL INFORMATION

Attire

The suggested attire for all events is business or business casual.

Lectures

The topics and speakers may have changed since this brochure was produced. Please visit indianapodiatric.org for the most up-to-date schedule and for lecture descriptions and learning objectives.

Intended Audience

This convention will be of interest to podiatric physicians and surgeons. Other health care professionals with special interest in the diagnosis and treatment of lower extremity disorders will also benefit from this convention.

Convention Purpose and Objectives

This convention will provide information on the most up-to-date diagnostic and treatment methods for lower extremity disorders. Objectives include:

1. To provide the podiatric physician with a broad range of programs offered in an intensive three-day convention.
2. To establish an understanding of developing concepts in the diagnosis, evaluation and treatment of lower extremity disorders and foot conditions.

About IPMA

The Indiana Podiatric Medical Association represents podiatrists throughout the state with the goal of furthering the specialty of podiatry at the local and national level. IPMA actively educates, supports and advocates for podiatrists and their patients on a wide variety of administrative, licensing, legislative, and patient-care issues.

IPMA's mission is to ensure the highest quality of lower extremity health care for patients by advancing the art and science of podiatric medicine through advanced continuing education, legislative advocacy, public education and promotion of the profession.

Privacy and Confidentiality Policy

The Indiana Podiatric Medical Association's (IPMA) Policy on Privacy and Confidentiality dictates the Association's handling of a learner's personal information. This policy is enforced in all areas of the Association's business, including online communications, offline communications, direct marketing, and event registration.

IPMA maintains a comprehensive database of information on its learners in accordance with the general needs and expectations of the organization and its learners. This information is intended exclusively for purposes related to official Association business and to facilitate interaction between the Association and its learners. Directory information in the database may include home or work addresses, telephone numbers, fax numbers, e-mail addresses, and activity registrations/online purchases.

Consent to Use Photographic Images

Registration and attendance or participation in the IPMA Fall Convention constitutes an agreement providing permission for the use of the registrant's image or voice in photographs or recordings at the event without compensation. IPMA can use the images for promotions in any and all media. IPMA or its successors are exempt from any liability for the use of photographic images. You may revoke this authorization at any time by notifying IPMA at inpma@indianapodiatric.org.
